ATLANTA HORROR FEST PRESENTS  
**ZOMBIE WALK ATLANTA**

The ZOMBIE WALK ATLANTA came about after the realization that the zombie apocalypse is coming shortly. We came together and realized that the only true way of saving ourselves from a zombie is to learn how to act like a zombie, and first and foremost, how to WALK like a zombie. So come and join us in the first annual ZOMBIE WALK ATLANTA. Let our skilled professionals from Project: Zombie Attack turn you into a full fledged zombie and walk from Lenny's Bar parking lot to Oakland Cemetery, Underground Atlanta, Georgia State University, Woodruff Park, and the business district of downtown Atlanta!!!

Walk starts @ 2pm Friday, October 27th.

“When there’s no more room in hell, the dead shall walk the earth”
